

How to access Clever at home

Clever is a single sign on system that allows student access to our educational technology without having to remember multiple usernames and passwords.

To access clever at home follow these steps:

1. Open up Google Chrome on a computer or chromebook only.
2. Go to our portal www.clever.com/in/conway

3. Click “Log in with Google”

4. Use your child’s google login information provided by their teacher
5. Click on the buttons to access educational technology accounts.
